## Upload application documents

It is not possible to check or edit the documents you have uploaded since you have submitted applications. To be able to edit the documents, please delete the applications that you have submitted, first. Afterwards, you will be able to check the documents again.

### PLEASE NOTE:

After editing your documents, you need to select the degree program/s you wish to apply for and complete the corresponding questionnaires. Without doing so, we will not receive an application in due time and form. Please pay attention on the application deadline

Please go to 'submit new application' in order to view the list of degree programs.

## Late submissions (Upload)

**Important information:** If you have received a request to submit missing documents, please upload these documents within the specified period of time. Under "Late Submission 1-6", you can upload documents which are not specifically listed such as the proof of health insurance.

Please make sure that all documents you need to submit are available as PDF. Please select the correct fields from the drop-down list and upload the corresponding documents. You can check the correctness of the upload by clicking on the download icon after uploading a document. You can only upload one document for each field. Submissions via e-mail cannot be taken into account.

Late submission of the proof of payment
