

Information on Insurance Coverage

The Erasmus program does not provide any insurance coverage.

Moreover, adjunct lecturers who are not employees of the University of Mannheim do not have the statutory accident, medical or third-party insurance coverage. The statutory accident insurance does not cover the Erasmus mobility as it is not considered a business trip.

Acknowledgement

(Please submit this form if you are not an employee of the university.)

I hereby acknowledge that I do not have any insurance coverage under the Erasmus program nor through the University of Mannheim and that I will have to obtain adequate insurance for the mobility myself.
