STEP 5: International AlumniNight

This networking evening will be a perfect opportunity for you to hear first-hand experiences from various international alumni of the University of Mannheim. The speakers are graduates who came to Mannheim as international degree-seeking students and since then have successfully established themselves in the German labor market. They will share valuable advice and talk about their transition from student to working life.

- Three 30-minute presentations
- Interesting for international students of all faculties
- Get-together with snacks and beverages afterwards!

The event is part of the [Step by Step Program](#), sponsored by the German Academic Exchange Service (DAAD) and supported by ABSOLVENTUM, the City of Mannheim, the Federal Employment Agency and the Career Network of the University of Mannheim.

STEP 5: International AlumniNight

Georgi Popov

Georgi from Bulgaria received his Bachelor's Degree in Business Administration from the University of Mannheim in 2013. Before continuing with his Master's degree he decided to do a gap year for internships, e.g. at Lufthansa

Technik in Sofia, Bulgaria. In 2014, Georgi enrolled in the "Mannheim Master in Management" majoring in Supply Chain Management with a minor in Marketing. During his studies he worked as an intern and working student at SAP, Lufthansa Cargo and Siemens.

After graduation, Georgi started as a Business Analyst at Lufthansa Consulting in Frankfurt - a subsidiary of Lufthansa providing consultancy services both in-house and to external clients such as airlines and airports worldwide.

Hana Attia

Hana from Cairo completed in Mannheim her bachelor's degree in Political Science and Business Administration in 2015, and her master's degree majoring in Political Science in 2018. During her studies Hana has worked

e.g. as a junior research assistant at a socio-economic Think Tank in Cairo.

Since August 2018, Hana is a Research Fellow and Doctoral Student at the German Institute of Global and Area Studies in Hamburg (GIGA) There she conducts empirical research on current political events, runs large scale quantitative analyses and contributes to the creation of a new dataset on the termination of international sanctions.

Hasan Al Abed

Hasan from Syria completed his bachelor's degree in management information systems at the Applied Science University in Jordan. In Mannheim he pursued his master's degree in Business Informatics with the

track of Data & Web Science where he wrote his master thesis in the field of Natural Language Processing. In addition to the technical focus, he had entrepreneurship courses from the Master of Management program in cooperation with the Mannheim Center for Entrepreneurship and Innovation (MCEI).

Hasan joined SAP as a working student in 2017 and in 2018 as a full time Data Scientist at the Cloud & Infrastructure services group.
