The Collaborative Research Center “Political Economy of Reforms” (SFB 884) is looking for a

**Student Assistant m/f/d**

**(30 h/month, Bachelor or Master student)**

to support the interdisciplinary research project C6 “The domestic foundation of governmental preferences over European politics” headed by Professor Dr. Thomas König in collaboration with the project team.

**Who we are:**
The Collaborative Research Center 884 is an interdisciplinary institute which is funded by the German Research Foundation (DFG). More than 60 international researchers from political science, economics, sociology, and computer science conduct research in 18 projects. Project C6 specifically focuses on how domestic forces, such as voters and political parties, shape governmental preferences in EU decision-making processes at the legislation, transposition, and enforcement stages.

**Tasks:**
- Collection and management of datasets with Stata or R
- Data analysis

**Qualifications:**
- a strong interest in quantitative data analysis
- strong command of English
- a background in Comparative Politics, European Union Politics or Political Behavior

We offer an invaluable chance for active participation in dynamic research projects on the EU. Working hours are flexible. The wage per hour is 12,52 € for students with Bachelor degree and 17,01 € for students with Master degree.

If interested, please submit short motivation letter (1 page), a CV and transcript of records by 23.02.2022 (applications will be reviewed on a rolling basis) to

David Hilpert
dhilpert@mail.uni-mannheim.de
or
Sonderforschungsbereich 884 – Universität Mannheim
B6, 30-32
68131 Mannheim

The starting date will be in Mid-March 2022 the latest.

Information on the collection of personal data from the data subject in accordance with Article 13 of the GDPR can be found on the University of Mannheim's website, in the "Data Protection during the Job Application Process" section: https://www.uni-mannheim.de/en/about/employment-opportunities/data-protection-during-the-job-application-process/#c93617

Please note that when sending an unencrypted email, threats to confidentiality and unauthorized access by third parties cannot be ruled out.

The submitted application documents can only be returned if a sufficiently stamped envelope is sent at the same time. Otherwise, they will be destroyed after the application process has been completed in accordance with the requirements of data protection law.
