

The IFS SportsCard: physical and mental fitness in one card!

The fight against the pandemic has taken its toll. We are hopefully in its final phase, but it is not over yet. That is why it is so important now to continue to pay attention to physical and mental fitness.

We would like to provide you with the best possible support in this regard, and as the incidence of the disease decreases, we will be able to make attractive offers to you:

**free entrance
to the D2 FitnessGym
until 5.9.2021 included!**

Buy your SportsCard and get free admission to D2 FitnessGym!

With the purchase of the SportsCard you will receive free access to our popular studio after the opening of the D2 FitnessGym for the entire lecture-free period until 5. September 2021. The online offerings developed during the pandemic (1:1 personal training, stress prevention, yoga, fitness classes, etc.) will continue. The SportsCard is thus a true "one for all" offer: everything for physical and mental fitness in one card!

We look forward to your participation in our online offers and especially to welcoming you back to the D2 FitnessGym!
