

## Journey to Mannheim

### 1. via Frankfurt Airport

If you are travelling to Mannheim via the Frankfurt Airport, you have the following options to reach Mannheim:

#### 1.1. a private airport-shuttle directly to the University of Mannheim

Please inform yourself about the shuttles and their fees **in advance**. Depending on the company, there may be an extra charge for service on short notice.

#### 1.2. by train directly from the airport to the main station Mannheim

- An ICE takes you from the **Frankfurt(M) Flughafen Fernbahnhof** directly to the main station in Mannheim
- The train departs every hour
- The train ride takes about 30 minutes

#### From the station to the university:

The university, as well as the Welcome Center, is only a 10 minute walk away from the main station. Alternatively, the tram lines 1 Schönau, 4a Oggersheim, 5 Weinheim, and 6 Rheingönheim take you right in front of the university. The station to exit at is called “Schloss”.

For more information on the trains and ticket purchase visit <https://www.bahn.de/>.

### 2. by car

If you are coming to us by car, you can use the A6 and exit at *Mannheim Mitte*. At the Planetarium, follow the sign on the left towards the university. After passing the main train station, you are on the *Bismarckstraße*, which leads right past the university. The main entrance to the university is in the east wing, the first one you pass.

#### Parking

Since the university has no visitor parking, we suggest you use [the parking deck beneath the cafeteria](#). It is in close proximity to the university and the Welcome Center.
