

This note advertises a position for an

### **Academic Staff Member (E13 TV-L, 50%)**

at the Mannheim Institute for Sustainable Energy Studies (MISES) at the University of Mannheim. The position is to be filled as soon as possible. It is temporary according to the Academic Fixed-Term Contract Law (WissZeitVG).

#### **What we offer:**

You will be working in a highly motivated team in research. We encourage our academic staff members to pursue their doctorate and support them accordingly. At the University of Mannheim, doctoral studies are offered usually through a structured doctoral program at the Graduate School of Economics & Social Sciences (GESS). A key advantage of this program is the extensive course portfolio which facilitates the acquisition of excellent methodological and technical foundations by the students. Further information about the program can be found on the GESS' website: [www.gess.uni-mannheim.de](http://www.gess.uni-mannheim.de)

#### **What we expect:**

- Completed degree in business or economics
- Active interest in one of the following fields: accounting, finance, or energy economics.
- Independent, team-oriented and flexible researcher
- Above-average commitment and performance
- Qualified and motivated to perform quantitative analyses and work empirically/econometrically
- Social skills, high intrinsic motivation, team player
- Relevant IT skills

The University of Mannheim is committed to increasing the proportion of women in research and teaching and thus encourages women with adequate qualifications to apply. Disabled applicants with suitable qualifications are given preferential consideration.
