Erasmus+ Staff Mobility Program

With the Erasmus+ Staff Mobility program, staff members can receive grants for stays abroad in Europe for teaching and training purposes.

Mobility formats

- Training events at European Higher Education Institutions, in companies or other institutions (except research trips).
- Teaching assignments (min. 8h of teaching per week)
- Combination of teaching and training (min. 4h of teaching per stay & week)

Eligible countries

EU member states as well as Norway, Iceland, Liechtenstein, North Macedonia, Republic of Türkiye and Republic of Serbia

Financial support

EU grants provide a contribution to your costs for travel and subsistence during your time abroad

Special funding for equal opportunities and inclusion

Erasmus+ aims to promote equal opportunities and inclusion. For this reason, participants with a disability are granted easier access to the program and offered special funding.
