

The **Chair of International Finance (Prof. Dr. Stefan Ruenzi)** is offering a part-time position as

Student Research Assistant (all genders)

starting on 15 September 2024.

We are looking for a Bachelor/Master student (m/f/d) with a focus on assisting the chair's team in data collection projects and general administrative tasks (20 – 30 hours per month). We intend the new student assistant to start in September or October 2024 (depending on your availability).

Your tasks include:

- Assistance in the collection/processing of data and preparation for statistical analyses
- Data management and verification
- Operational support of the chair, e.g. content management on the chair's websites
- Administrative tasks
- Optional: Online data collection using web crawlers, scrapers or APIs
- Optional: Data analysis support in the context of research projects

Your profile:

- Fluent English skills
- Ability to diligently execute tasks
- Experience in programming (e.g. Python) would be beneficial but is not required
- Any experience/knowledge in empirical research or data science would be beneficial

What we offer:

Note that we usually offer remote work opportunities as well as flexible working hours by mutual agreement.

Applications from persons with a disability (minimum 50 %) are given preferential consideration provided that they are appropriately qualified. The University of Mannheim is committed to increasing the quota of women and

The **University of Mannheim** is one of the leading universities in Germany with approximately 12,000 students in five schools. Particularly in business and economics as well as in the social sciences the university ranks among the top institutions both at national and international level. More than 2,600 employees profit from an exciting work environment with numerous benefits.

Key information
