STEP 5: International Alumni Night

This networking evening will be a perfect opportunity for you to hear first-hand experiences from various international alumni of the University of Mannheim. The speakers are graduates who came to Mannheim as international degree-seeking students and since then have successfully established themselves in the German labor market. They will share valuable advice and talk about their transition from student to working life.

- Three 30-minute presentations
- Interesting for international students of all faculties
- Get-together with snacks and beverages afterwards!

The event is part of the Step by Step Program, sponsored by the German Academic Exchange Service (DAAD) and supported by ABSOLVENTUM, the City of Mannheim, the Federal Employment Agency and the Career Network of the University of Mannheim.

When?
Thursday, 25 October 2018
6:00 pm

Where?
Fuchs Petrolub Hall
O 138

Vladyslav Khromenko

Vladyslav from Ukraine completed his bachelor’s degree in International Business Administration at Rotterdam School of Management in 2014. Thereafter, he pursued master’s degree in Management from University of Mannheim with major in Operations Management and graduated in June 2017. During his studies, Vladyslav gained first practical experience in diverse international internships, covering industry roles as well as external and in-house management consulting.

Upon completion of the master’s degree, in September 2018, Vladyslav joined DHL Consulting team in Bonn as a consultant. Within his current role, Vladyslav was involved in several projects, inter alia, implementation of new accounting standards for leasing (IFRS 16), Internal Control Framework development, cloud adoption program.

Naira Ibrahim

Naira from Cairo, Egypt, graduated in 2014 from her bachelor studies in “Business Informatics” at the German University in Cairo. She wrote her bachelor thesis at the DHBW in Stuttgart. This was followed by an internship at HP in Böblingen, where Naira was optimizing the internal CRM data quality and improving SaaS business’s growth initiatives. In September 2015 she started her master studies in the same field at Universitat Mannheim in the focus of Enterprise Applications. Meanwhile Naira worked as a working student at SAP, Walldorf to enrich herself with the corporate experience.

Right after graduation, in September 2017, Naira joined SAP, Walldorf in the area of development and quality optimization for web analytical application projects.

Ardit Ismaili

Ardit is originally from Durres, Albania. He received his bachelor’s degree in Economics from University of Bonn in 2013 and started directly with his master studies. He obtained his MMM in HWS 2015 with a strong focus on Finance and Banking. During his master studies, Ardit accomplished an internship in Fixed Income Research at Commerzbank AG and was also part of Strategic Equity Transaction Group (Corporate Banking & Securities) within Deutsche Bank AG. Furthermore, he enjoyed presenting Principles of Economics Exercise Sheet’s solutions to his younger peers.

After his master studies, Ardit started at The Boston Consulting Group in Düsseldorf. After almost two years he pursued his career within Deutsche Bank as part of Group Management Consulting.
