Job Opportunity: Part-time Lecturer

The Department of English at the University of Mannheim is seeking Part-time Lecturers / Lehrkräfte (m/w/d) to teach B2-C1 level English language courses, with a focus on academic writing and essay composition, beginning Spring Semester 2023.

A teaching contract will be given for the necessary teaching load of one to three 90-min classes each semester, and successful candidates may be considered for additional, longer-term positions. Compensation is determined following the current rates assigned by the state of Baden-Württemberg.

Job Requirements

- Master’s degree in English, Applied Linguistics/TESOL, or American Studies
- Excellent English language competence (C2)
- Very good knowledge of German (B2)
- Experience in academic teaching (preferably teaching writing)
- Ability to work independently and collaboratively as part of a team

Application Procedure

Please send your application with the required documents (cover letter, CV with photo, and copies of certificates of university degrees and/or further qualifications) by 01. September 2022 to:

University of Mannheim
Department of English
Jessica Weimer
Schloss
68131 Mannheim
E-Mail: jessica.weimer@uni-mannheim.de

Applications via e-mail preferred. When applying via e-mail, please send materials as one PDF document.

Data protection: Please note that data transmitted via unencrypted email communication may be subject to unauthorized access by third parties and confidentiality cannot be guaranteed. Information regarding the collection and processing of personal data according to article 13 of the GDPR is provided on the website of the University of Mannheim under “Employment Opportunities” (https://www.uni-mannheim.de/en/about/employment-opportunities/data-protection-during-the-job-application-process/4c93617).

Submitted documents will only be returned if the application includes an envelope with sufficient postage. Otherwise, the documents will be destroyed in accordance with the data protection law after the application process is completed. Electronic applications will be deleted accordingly.
