

The **Chair of Political Science, European Politics** is offering a full-time position as

Post Doc Position (male/female/non-binary) (E 13 TV-L BW)

starting on 1.3.2023.

The University of Mannheim is pleased to announce a Postdoc position for a teaching/research assistant in International Politics and European Integration research at the Chair of Political Science, European Politics.

Your tasks include:

Teaching 4 hours per week, i.e., two classes per term. Collaboration in international research teams

Your profile:

The applicant should have a PhD in Political Science or a related discipline, a strong methodological background with knowledge of experimental/causal research designs, and an interest in publishing articles in international outlets.

What we offer:

We offer an extraordinary environment with focus on novel methods and topics in Germany's #1 political science department. Furthermore, participation in international conferences and summer schools such as EITM Europe will be supported.

Applicants with disabilities are given preferential consideration in the event of equal qualification. The University of Mannheim is committed to increasing the quota of women in academia and thus encourages women with relevant qualifications to apply.

If you are interested in applying, please send your application documents via e-mail or mail **by 15.12.2022 at the latest:**

Professor Dr. Thomas König
Lehrstuhl für Politikwissenschaft, Europäische Politik

With approximately 2,630 staff members and 12,000 students, the **University of Mannheim** is an academic higher education institution with an outstanding reputation in research and teaching.

In particular, the fields of Economics and Social Sciences, which are traditionally very strong at the University of Mannheim, rank among the top institutions both at national and international level. A special characteristic of the university is the high degree of networking among its five schools.

Professor Dr. König and his team's main academic interests are in the area of international and comparative political science, in particular European integration, legislative and constitutional decision making, and the implementation of those decisions. Core activities include the analysis and empirical testing of theories on bargaining, voting and delegation.
