

The **Chair of SME Research and Entrepreneurship** is offering a part-time position as

Research assistant with a Bachelor's degree (all genders)

starting on 1 January 2025.

To support our team, the Chair of SME Research and Entrepreneurship is looking for a master's student who can support us with **40 hours per month, starting January, 1st 2025**. The contract length is limited to June 30th, 2025 (with a possible extension thereafter).

Your tasks include:

The task package for this position primarily includes supporting the design and preparation of a new course.

This includes:

- Research and preparation of course-relevant content on the topic of well-being in entrepreneurship
- Assistance in the creation of presentation materials
- Support with various administrative tasks

Your profile:

- Bachelor's degree
- Fluent in English (and preferably German)
- Excellent academic performance
- Attention to detail, reliability, and availability
- Proactive work approach
- Interest in well-being and entrepreneurship topics

What we offer:

- Responsibility for a task that is both strategic and creative
- Insights into the topic of entrepreneurial well-being and the setup and organization of a new course
- Regular feedback and mentoring opportunity
- Flexible working hours

The **University of Mannheim** is one of the leading universities in Germany with approximately 12,000 students in five schools. Particularly in business and economics as well as in the social sciences the university ranks among the top institutions both at national and international level. More than 2,600 employees profit from an exciting work environment with numerous benefits.

The **Chair of SME Research and Entrepreneurship**, led by Prof. Dr. Michael Woywode, is dedicated to teaching the subjects of small and medium-sized enterprises (SMEs) and entrepreneurship. The theoretical and practical teaching focus lies on startup-related topics in general, such as business model development and scaling, internationalization of startups and social entrepreneurship, as well as the relation of these topics to SMEs. The chair is also integrated with the Institute for SME Research and Entrepreneurship (ifm Mannheim), with its four research areas: digitization and competitiveness in SMEs, family businesses, new self-employment, and entrepreneurship.
